

SYMPHONY has offices in Kenya, Rwanda, Burundi, Congo and Ethiopia, representing premium hardware, software and cloud and managed service brands including IBM, GE, Oracle, Sage, Microsoft, among others. Symphony KENYA is looking for an individual to join our dynamic team, in the position of:

JUNIOR PRE-SALES TECHNICAL ASSISTANT

Are you a quick learner? Do you have passion for technology? Do you have the ability to work independently and efficiently to meet deadlines? Are you self-motivated and detail-oriented? Have you got strong analytical skills and are a problem-solver? Do you have good written and verbal communication skills?

If you have answered "Yes" to the above, then you are the person we are looking for!

Symphony offers a unique platform for learners like you to adopt new technologies and its applications apart from providing a long term rewarding career!

The candidate should have:

- An Advanced Diploma or Degree in IT / Electrical / Electronic Engineering
- Be between 20 and 30 years' old
- Have a K.C.S.E. Aggregate grade of C or higher with a minimum of C in both Mathematics and English
- Must be computer proficient; and work proficiently with the standard MS Office applications.

How to apply:

If you believe you have what it takes to handle this challenging position, kindly apply by email, with a short covering note on your suitability, attaching your CV with copies of relevant certifications to reach the Director, not later than 5p.m. on Monday, 24th April, 2018

The Director,

Symphony, Westcom Point, Ground Floor,

Mahiga Mairu Road, Off Waiyaki Way, Westlands,

P.O. Box 14201, 00800, Tel: +254 - 4455000, Mobile: 0716-793 954,

Nairobi, Kenya
